

## Frequently Asked Questions

### **What are the details of the award?**

Rent to Own Labs selects one student applicant each year as the winner of the Rent to Own Labs Scholarship. The \$2,500 scholarship can cover anything related to education about real estate, including tuition, textbooks, training seminars and certifications

### **I was selected as the Rent to Own Labs scholarship winner in a previous year. Can I renew my award?**

This scholarship is a one-time award for a student dedicated to succeeding in real estate. Unfortunately, if you have won the award, you cannot reapply.

### **Can I reapply for the scholarship?**

A student may reapply for the scholarship every year, so long as they are not past winners. We encourage students to continue to pursue real estate and build their resume between application cycles.

### **Where and when should I send my application?**

Send your application to Rent to Own Labs at 12301 Lake Underhill Rd., Suite 111, Orlando FL 32828. The application must be delivered by the deadline. Please confirm at your chosen mailing service that it will arrive by the deadline. Applications that arrive prior to the deadline will be considered for the scholarship.

### **How will I receive notification if I've won?**

The winner will be notified by email within one month of the application deadline. The winner must reply to the email within two weeks to receive the award. If the winner does not reply, the scholarship will be given to the next best application.

### **How are checks issued?**

Checks are issued by mail to the recipients mailing address as listed on the application form.

### **Do I need to be a real estate student to apply?**

While all students who major in a business-related field, priority consideration is given to those who are studying to become realtors. If your university or college does not have a major specifically for real estate, please indicate that information on your application. We are looking for candidates who have documented interest in real estate, which can be proven in ways other than the student's major.

### **How are the essay responses evaluated?**

The essay responses will be evaluated first for knowledge about the real estate field, and, second, for grammar, spelling and writing ability.
